**Editors Note:**

The prize money for the AEPS 100 club will increase as and when new members join the prize draw.

In June 2015 the AEPS 100 Club prize draw has been running for twelve months. Member's, who have not as yet renewed their shares in the 100 club, were excluded from the prize draws in June, July and August 2015, and consequently the winner's prizes are lower.

Whilst delays by members in renewing their shares in the 100 club is unfortunate. The AEPS are unable to pay the higher prizes unless payment has been received by the Honorary Treasurer prior to the prize draw taking place.

Details of the next prize draw, an application form and payment details can be found on the AEPS Stampssex 100 club webpage.
