

Welcome to the Association of Essex Philatelic Societies.

As Chairman of the Association of Essex Philatelic Societies (AEPS) I would like to welcome you to our new website which highlights the events and activities of our affiliated societies related to the collection of stamps and postal history in its many forms.

Whether you are a traditional stamp collector or as specialist, and wherever you reside in Essex or on the boundaries of Essex in East London, South East Hertfordshire or Southern Suffolk there is a stamp club near you where you will find a warm welcome.

Our Societies offer talks and displays on many subjects, provide regular stamp fairs, organised competitions, seminars and other social events, all aimed at the enjoyment and wider appreciation of this hobby. Should you wish to make contact, you may do so through this website either directly with a local society, or with an officer of the AEPS.

Ray How

Chairman
Association of Essex Philatelic Societies
